Patent

REMARKS**1. Status of Claims**

Claims 1-19 were pending in the Application. Due to a typographical error associated with the electronic patent filing system, Applicants have added claims 20-22 and amended claims 9 and 16-19. The amendments are merely cosmetic and the subject matter of the current claims is supported by the originally filed claims. Minor typographical errors in the specification that are merely cosmetic have been amended. Applicants respectfully request entry of the amendment prior to an examination on the merits. Applicants submit that no new matter is added. Accordingly, claims 1-22 will remain pending in the application.

If the Examiner believes that any issues may be resolved by a telephone interview, the Examiner is respectfully urged to telephone the undersigned attorney for Applicants at (203) 924-3180.

Respectfully submitted,
